By submitting, posting or displaying Content on or through the Services, you grant us a worldwide, non-exclusive, royalty-free license (with the right to sublicense) to use, process, adapt, modify, publish, transmit, display and distribute such Content in any and all media or distribution methods now known or later developed (for clarity, these rights include, for example, curating, transforming, and translating).

Your Account

You must create and log into an account to use some features of the website.

To create an account, you must provide some information about yourself. If you create an account, you agree to provide, at a minimum, a valid e-mail address, and to keep that address up-to-date. You may close your account at any time by e-mailing support@turbox.io.

You agree to be responsible for all action taken using your account, whether authorized by you or not, until you either close your account or notify the company that your account has been compromised. You agree to notify the company immediately if you suspect your account has been compromised. You agree to select a secure password for your account, and keep it secret.

The company may restrict, suspend, or close your account according to its policy for handling copyright-related takedown requests, or if the company reasonably believes that you've broken any rule in these terms.

Your Responsibility

You agree to indemnify the company from legal claims by others related to your breach of these terms, or breach of these terms by others using your account on the website. Both you and the company agree to notify the other side of any legal claims for which you might have to indemnify the company as soon as possible. If the company fails to notify you of a legal claim promptly, you won't have to indemnify the company for damages that you could have defended against or mitigated with prompt notice. You agree to allow the company to control investigation, defense, and settlement of legal claims for which you would have to indemnify the company, and to cooperate with those efforts. The company agrees not to agree to any settlement that admits fault for you or imposes obligations on you without your prior agreement.

Disclaimers

You accept all risk of using the services and content on the website. As far as the law allows, the company and its suppliers provide the website as is, without any warranty whatsoever.

The website may hyperlink to and integrate websites and services run by others. The company does not make any warranty about services run by others, or content they may provide. Use of services run by others may be governed by other terms between you and the one running service.

Limits on Liability

Neither the company nor its suppliers will be liable to you for breach-of-contract damages their personnel could not have reasonably foreseen when you agreed to these terms

Feedback

The company welcomes your feedback and suggestions. See the [Contact](#) section below for ways to get in touch with us.

You agree that the company will be free to act on feedback and suggestions you provide, and that the company won't have to notify you that your feedback was used, get your permission to use it, or pay you. You agree not to submit feedback or suggestions that you believe might be confidential or proprietary, to you or others.

Termination

Either you or the company may end the agreement written out in these terms at any time. When our agreement ends, your permission to use the website also ends.

Disputes

You and the company agree to seek injunctions related to these terms only in state or federal court in Singapore. Neither you nor the company will object to jurisdiction, forum, or venue in those courts.

Any arbitration award will include costs of the arbitration, reasonable attorneys' fees, and reasonable costs for witnesses. You and the company may enter arbitration awards in any court with jurisdiction.

General Terms

If a provision of these terms is unenforceable as written, but could be changed to make it enforceable, that provision should be modified to the minimum extent necessary to make it enforceable. Otherwise, that provision should be removed.

You may not assign your agreement with the company. The company may assign your agreement to any affiliate of the company, any other company that obtains control of the company, or any other company that buys assets of the company related to the website. Any attempted assignment against these terms has no legal effect.
